National Arbitration and Mediation ("NAM") has provided Alternative Dispute Resolution services ("ADR services") since 1992. The company presently provides dispute resolution services for thousands of commercial clients and law firms, including more than 1,200 regional claims offices for hundreds of the nation's largest insurers.

- Over 2,000 Hearing Officers in all 50 states for mediation and arbitration services.
- ADR programs for more than 400 of the nation's largest insurers covering a significant percentage of all coverage areas including, but not limited to, coverage issues, professional liability, construction, employer liability, environmental and toxic torts, maritime and personal injury.
- Advanced technology infrastructure.
- Premium case management services.
- Resolved more than 2.5 Billion Dollars in New York State Insurance related claims.
- More than 50% of Fortune 100 Companies utilize NAM's services.
- ADR Provider of the Year by the American College of Civil Trial Mediators and winner of Best of Show award for Legal Services from Business Insurance.
