

# NAM Invites You To Participate In A Major Mediation Initiative

In what will likely be 2010's largest volume, single-day settlement initiative, NAM will be making available many of New Jersey's top-rated Mediators to facilitate the resolution of a significant number of claims. NAM expects more than 30 plaintiff firms and multiple carriers to be on hand in an effort to close out files by year-end. This is a great opportunity to settle cases with several carriers/firms in one day and at one location.

NAM, New Jersey's premier ADR Administrator, will be coordinating the event and providing its services in an effort to facilitate a high number of case settlements.
