

JAMES J. WRYNN, ESQ.

*40th and last Superintendent of the New York State Insurance Department
Former First Deputy Superintendent, New York State Department of Financial Services
Former Executive of Director of the New York State Insurance Fund
Member of Insurance Boards in the United States, European Union and Bermuda*

James J. Wrynn, Esq. brings more than 35 years of professional experience as an attorney, regulator, executive and strategic advisor in the domestic and global insurance and regulatory sectors. As the 40th and last Superintendent of the New York State Insurance Department, Mr. Wrynn managed and streamlined the operations of both the New York State Insurance Department (NYSID) and the New York Liquidation Bureau (NYLB) and oversaw multi-million-dollar budgets that included hundreds of employees and thousands of agents, brokers and other producers. He has also served as the first Deputy Superintendent of the New York State Department of Financial Services, the Executive Director of the New York State Insurance Fund, and played an integral role within

both the National Association of Insurance Commissioners (NAIC), and the International Association of Insurance Supervisors (IAIS). Additionally, he has an international presence as a member of Insurance Boards in the United States, European Union and Bermuda.

Mr. Wrynn is a longtime advocate of Alternative Dispute Resolution (ADR) and draws upon his many years of experience when mediating and arbitrating in the private ADR Forum. His experience includes work with insurers, reinsurers, private equity/hedge funds, banks/investment banks, captives, agents, brokers, third party administrators, investors, regulators, corporations and law firms to address complex strategic and tactical issues of local, regional, national and international importance. Having served in senior positions with the NAIC and IAIS, Mr. Wrynn is well-versed in state, national and international regulations and policies governing the insurance industry. This includes time as Vice-Chair of the NAIC's International Insurance Relations "G" Committee, as Co-Chair of the Rating Agency Working Group, as Vice-Chair of Reinsurance (E) Task Force and as Vice-Chair of the Solvency Modernization Initiative Task Force.

His vast knowledge and experience in the insurance regulatory sector coupled with more than 25 years of experience as a litigator, makes him well-suited for his role as a neutral. In addition to his role as an arbitrator and mediator with NAM, he serves as Senior Managing Director and one of the leaders in the Global Insurance Services practice at FTI Consulting. Mr. Wrynn has also been accepted as an ARIAS – U.S. Certified Arbitrator.

Mr. Wrynn also held the position of Managing Director and Vice-Chair in the U.S. for Guy Carpenter's Global Strategic Advisory Group and served as Senior Partner at a well-known Manhattan law firm where he led the company's Global Insurance Regulatory practice, which consisted of an international team with extensive experience serving the United States, Europe, Bermuda and other key regulatory markets.

Jim Wrynn is admitted to practice law in the federal and state courts of New York and New Jersey, and the U.S. Supreme Court. He has earned a Martindale-Hubbell Peer Review rating of AV Preeminent, and has been rated a top lawyer in insurance law by *American Lawyer Media* and Martindale-Hubbell, in insurance coverage by *New York Metro Super Lawyers*, and the 2017 listing of *Who's Who Legal Consulting Expert Guide: Insurance and Reinsurance*. He has served as a registered foreign lawyer in the United Kingdom (England and Wales), and as an expert witness on several insurance, reinsurance and regulatory matters. Mr. Wrynn is a much sought after speaker and author on a variety of current insurance, reinsurance and regulatory matters at the state, national and international level. He has also earned Associate Captive Insurance (ACI), Associate in Risk Management (ARM) and Workers' Compensation Professional (WCP) designations.

Mr. Wrynn is available to mediate cases throughout the United States and globally.

AREAS of EXPERIENCE

- Insurance/ Reinsurance issues involving:
 - Coverage Disputes
 - State, National and International Regulatory, Compliance and Governance Issues
 - Market Conduct / Financial / Solvency Inquiries, Examinations and Investigations
 - Privacy / Cyber Law and Regulations
 - Captive Insurance / Self-insured Programs
 - Agency/Broker/Producer Issues

REPRESENTATIVE MATTERS

- Represented United States regulators at numerous meetings and forums, including the European Commission (EC), EIOPA (formerly the Committee of European Insurance and Occupational Pension Supervisors [CEIOPS]), the Organization for Economic Cooperation and Development (OECD), the Bank for International Settlements (BIS), the Geneva Association, the NAIC and the IAIS
- Represented the interests of New York and the US in negotiations with the EC, EIOPA and other international regulators as regulatory standards were redefined and new approaches considered, including the introduction of economic, risk-based solvency requirements (“Solvency II”); the development of a common framework for the supervision of internationally active insurance surveillance; group supervision; systemic risk (and the development of a methodology for the identification of globally systemically important financial institutions (known as “G/SIFI’s”)); the convergence of United States Generally Accepted Accounting Principles (“GAAP”) and the International Financial Reporting Standards (“IFRS”); and the potential application of Global Insurance Capital Standards
- Vice Chair of the Task Force involved in the review of international developments regarding insurance supervision, banking supervision and international accounting standards and their potential use in US insurance regulation as part of a critical self-examination of the United States Insurance Solvency Regulatory Framework (known as the NAIC Solvency Modernization Initiative –“SMI”)
- Met with members of Treasury and Congress (including the New York Delegation and numerous Congressional Committees) and other necessary organizations, entities and associations regarding the drafting, and subsequently, implementation of many of the provisions of the “Dodd-Frank Wall Street Reform and Consumer Protection Act.”
- Met with members of Congress and numerous others regarding the “Patient Protection and Affordable Care Act,” and, along with department staff, led the effort to establish the standard for determining the minimum percent of premium health insurance companies must spend on health care (known as the Minimum Loss Ratio –“MLR”), and the establishment of health insurance exchanges
- Co-Chaired hearings in Washington, DC, and New York on reducing reliance on credit rating agencies for evaluating risk associated with residential and commercial mortgaged-backed securities, and evaluating how rating agencies rate municipal bonds
 - Implemented ground breaking regulations, including:
 - a new regulation (Reg. 194–the “Producer Compensation Transparency Act”) that regulates the acts and practices of insurers and insurance producers with respect to the transparency of compensation paid to insurance producers and their role in the transaction;
 - (Reg. 187 – “Suitability in Annuity Transactions”) requiring the insurance producer, or the insurer where no insurance producer is involved, to have reasonable grounds for believing that the recommendation is suitable;
 - and an amendment to the Department’s regulation (Reg. 20 – “Credit for Reinsurance”) governing credit for reinsurance ceded to unaccredited reinsurers

- Secured passage of major legislation that included and establishing, for the first time in over a decade, legislation that restored the authority of the Department over the prior approval of health insurance rates; and repealing the existing Article 78 of the Insurance Law, which had governed viatical settlements (a viatical settlement involves the sale of a life insurance policy where the insured has a life-threatening illness or condition and wants to have the proceeds of the sale of the life insurance policy during his or her lifetime), and added a new Article 78 covering life settlements (which also amended various other sections of the New York Insurance Law in order to incorporate life settlement providers, life settlement brokers and life settlement intermediaries into other relevant provisions of the law.).
- Numerous and continuous discussions with all shareholders, legislators and others regarding issues, regulations and legislation concerning all aspects of life insurance and annuities, reinsurance long-term care, life settlements, accident and health, medical malpractice, no-fault/auto, commercial auto/livery, homeowners/property & casualty, financial guarantee, errors & omissions, directors & officers, title, workers' compensation, captives, and other insurance
