

Public Arbitration Clause Registry

Businesses that have selected NAM as their administrator may, on an optional basis, submit their contractual arbitration clauses to be included in NAM's Public Arbitration Clause Registry (the "Registry").

How to submit an arbitration clause for inclusion in the Registry:

1. Submit your arbitration clause for NAM's review to Commercial@NAMADR.com.
2. After NAM has approved your clause, send us a final clean PDF copy of the arbitration clause.
3. Confirm the company name and HQ address as it should be listed in the Registry.
4. Confirm the contact information (name, title, phone number and e-mail address) for the individual(s) we can contact for each of claim and invoicing (if different) related issues.
5. A \$500 annual fee for posting will be billed to the designated contact provided.
